

**Would your child like to play baseball this spring? Would your child need the support of a buddy in order to play?**

### **What is Challenger Baseball?**

**Challenger Baseball, a division of Highlands Little League, operates eight teams...four for children under 12 years of age and four for kids aged 12-19 (age at April 30). Players may have physical, intellectual or behavioural challenges and have fun with the support of a (usually) student volunteer - aged 14 and older.**

### **When and Where?**

**Games are once a week, Saturday mornings, from April 7 until late June, at Norgate Park in North Vancouver.**

**1-1 buddy support is available, and players enjoy special events supported by the League and Challenger Baseball Canada. This might involve playing with the UBC Thunderbirds team, or participating in a Challenger tournament in the Lower Mainland.**
